"MEN'S BETTER WEAR"

MARKET HOGS FED ON ALFALFA AND BARLEY

W. W. Wynder and Orson Biglow delivered a full carload of hogs to Cardston, where they sold them through J. Workman at \$17.75 throughout, says the Lethbridge Herald. Mr. Wynder had 54 out of the 100 head, and claim that he has pastured these, with another 35 that he still has to turn off a little later, on 40 acres of alfalfa during the summer, besides cutting a ton to the acre, and that the grain fed was about 275 bushels of barley.

CANADIAN CHEESE BUSINESS DEVELOPED VERY MATERIALLY

Montreal, Quebec.—During 1925 Canada exported 150,742,000 lbs. of cheese, valued at \$34,575,000, as compared with 121,465,000 lbs. in 1924, an increase of almost 25 per cent. in quantity. Last year's export of cheese has not been equalled for many years and is only a little below the record established in 1904, but is \$10,000,000 ahead of that record in total value. As usual about 90 per cent. of the cheese exported from Canada went to the United Kingdom.

SPORT NOTES

GLEANINGS FROM MAJOR LEAGUE TRAINING CAMPS

It is indicated, Manager Harris intends keeping Walter Johnson, Coveleske, Heather and Bush as his "main stays" of the pitching staff for the Washington Senators.

Joe. Hauser, crack first sacker for the Athletics, hit a triple and a single in two times up.

The Boston Braves met New York Yankees and Babe Ruth didn't get a hit, while the Yankees beat the Braves six to one.

Tyson, New York Giant recruit, hit a double at the crucial moment and the Giants won, 6 to 5, from the Buffalo Internationals.

Kent Kibbler, recruit from Worcester, Mass., hit two homers for the Boston Braves "Yankees" who defeated the first team 9 to 2.

Wally Pip, veteran first baseman, obtained by the Reds from the Indians is still dominating half of the purchase price of \$20,000 and has not yet reported.

Wallace Carney, Oklahoma Indian recruit, pleased Manager Eddie Collins of the White Sox by allowing only one hit in three innings.

Helen Grah is giving Lindstrom a night for third base position with the New York Giants.

The following letter has been received from one of the boys at the big League training camp: Andy Baxter, of Calgary, says he wishes he had gone into the big time. Bear Feller. Just a few lines about us big leaguers. To say the least, this big league business is K. O. Listen—for supper I had two bowls of soup, a lot of celery and stuff, 3 steaks, big amounts of sugar, all kinds of fruit, etc. Well—now that I've told all the news I'll ring off.

Jim, P.S. I hope to make good in the big show.

Eddie Cronin has been feeding up on Pattenmore's whole wheat bread all winter, and is just waiting for "ole King Sol" to come along and fix up the diamond so that he can get a chance to make the Gleichen Bear Cats and Careland Cubs look like plugged nickels.

GOLF

STRATHMORE GOLF CLUB PROGRAM FOR 1926

There is every reason to believe that Strathmore is on the eve of a new prosperity and growth. One indication of this is in the community spirit that is in evidence, and which we believe is due to no small degree to the interest in the various outdoor sports that has developed during the last few years. There is room for all these sports and variety enough to meet all tastes.

Just now we are asking that all who can take an interest in the great game of golf, shall rally to the support of our club. We would like to interest any of the farmers of the district as well as the townpeople.

Golf is a most fascinating game that can be enjoyed by young and old, and by both men and women. It can be enjoyed by beginners as well as by experts since the interest is in perfecting your game, and lowering your score; in other words you play mostly against yourself, but amid pleasant surroundings, and in a most social way.

If you have not experienced the delights and training in self discipline which golf gives, we would suggest you join us this year and try for yourself.

The cost will be moderate, dues for men \$10, for ladies \$5.00, junior membership for those under 16 years of age \$2.00. Three or four clubs, and some balls sufficient for the first season's play, can be had for \$10 to \$15.

We ask all the old and new members to join early and pay their dues at once to the secretary or to our club at the bank so that we can carry out needed improvements, and put the course in shape.

We are most fortunate in having secured a suitable golf course close to town, and desire, with your help, to put the fairways and greens in shape, and get a clubhouse for the use of the members. If we can do this early in the year there will be a long season of play under the most favorable conditions.

The following officers have been elected for the year, and are pledged to work together for the success of the club: Hon. President, Mayor H. W. B.

Social-Personal

"Bill" Williams will open a restaurant in the premises now occupied by F. J. Dunn.

Councillor Bailey received a telegram announcing the death of his sister at Toronto. Mr. Bailey has no knowledge of the cause of death, as she was apparently in good health when he last heard from her, a few weeks ago.

Fred Nye, who is making an assessment for the town discovered 1 man's property was short 14 feet of which he is entitled to, and in another case found a man's building occupying four feet on another man's property.

J. R. Dixon, of Nirtlingale, is holding a sale on Wednesday, March 24, at his farm, two miles from Swatara Station. R. M. Prater will be the auctioneer.

ANNUAL TENNIS MEETING

The annual reorganization meeting of the Strathmore Tennis Club was held last Friday evening in the Union Church.

The meeting was presided over by President Mr. A. H. Rowe, and opened with a report on the club's finances by the secretary-treasurer, Mrs. S. Moore.

The report of the secretary showed the club to be in excellent shape financially, and a larger plan of improvement was planned for the coming season.

The election of officers following, resulted for the third time: Mrs. N. White, elected in Mr. Rowe being elected President. Vice-president, and W. B. Gardner secretary-treasurer for 1926.

Fees for the year were set at the same as last year, viz. \$2.00 per single membership, and \$5.00 per married couple.

Work on the courts is planned to commence as soon as courts are dry, and thus a full year's tennis is assured to all enthusiasts.

The Membership Committee consists of Mrs. B. F. Brown, Miss A. Borton, and Mr. N. Gatenby. If you are interested see them before they see you, and thus help them in their work.

WHO IS RIGHT?

(Vancouver Sun)
Grain Commissioner James Robertson denies Canada's present system of grading wheat and says it is the best in the world.

The Royal Grain Enquiry found that out of 114 cars of number one Northern wheat the variation of protein content was from 14.8 per cent. to 16.5 per cent., or a difference in actual value of over 25 cents a bushel. As much as 36 cents spread between the minimum and maximum of a grade of number one dark Northern wheat was obtained in Minneapolis on February 24.

Who is right—Commissioner Robertson or the Grain Enquiry, which stands by grading according to chemical test?

If Commissioner Robertson believes our present grading system is the best in the world he should admit who it is best for.

It is certainly best for the miller and the foreign buyer, because it is these agencies that take the profit in the protein margin.

But what about the farmer? Is Commissioner Robertson prepared to say that this system does anything for the Western farmer but rob him of his extra quality in his wheat?

The producer who sells a car of wheat with high protein content, such as is grown in Western Canada, gets exactly the same price as the farmer who sells a car of low protein value. But the milling interests maintain chemical laboratories where tests are made of every consignment, and manipulate their transactions accordingly.

The eye test of grain is out of date. Food products today are sold on the basis of quality. The farmer should be paid for the quality of his grain. Commissioner Robertson says no. The Royal Grain Enquiry says yes.

Who is right?

Bel: President, Robert S. Stockton; Vice-president, Thos. E. Wright; Secretary, J. A. Borey; Captain, E. W. E. Whitehead; Vice-captain, Jos. Van Tighem; Chairman Grounds Committee E. N. Hildy; Chairman Entertainment Committee, G. H. Patrick; Chairman Membership Committee, Thos. E. Wright.

The executive consists of the chairman of the committees, and the above officers.

Spring Sewing Time Is Here

And with it our new Gingham, Bordered Voiles, Silks, Satins, and in short, everything you will desire from the House Dress to Party Frock.

Ginghams are prettier than ever. We have a special line, in a nice variety of shades and patterns, at 4 yards for \$1.15

Bordered Dress Voiles, very attractive patterns, no two lengths alike, per dress length \$2.95

SILK BENGALINE

We have now a nice line of this wanted material in Black, Cocoa, and Indian Orange. Price per yard \$3.25

Our new Underwear Materials include Silk Voiles, Rayon Silk, etc. Come in and see them—it is a pleasure to show you our goods.

DIDN'T MISS HIS TRAIN

(From Bar Life)

A man reached the station platform just as the train was pulling out. A little burst of speed netted him fifty feet in overcoming the train's handicap, but the best he could do there after was to run a losing race. He quit at the end of the long platform and returned. "Miss your train, Sir?" enquired the porter cheerfully. "No, my friend," he replied, "Oh, no! I was just chasing it out of the yard. You oughtn't to allow it around here. Don't you see the tracks it has left?"

ONE MILLION MODERN STANDARD SURVEY POSTS

WINNIFORD, Man.—Over one million monuments have been erected in marking the corners of the 200-million acre tract constituting the surveyed portion of the Western Provinces of Canada, according to T. B. Nash, of the Federal Topographical Survey Dept. The monuments marking private ownership are fast disappearing. Mr. Nash states, and are being replaced with the modern standard survey posts adopting in 1916.

Special in Guaranteed Used Cars

Dodge, 1917	\$275.00
Ford Ton Truck, 1919	\$175.00
Ford Touring, starter, 1921	\$250.00
Ford Touring, starter, 1919	\$175.00
Ford Light Truck, 1922	\$275.00
Ford Coupe, 1922	\$350.00
Overland	\$75.00

We also have several other good buys in Used Cars, including a 1924 Chevrolet Roadster, as good as new.

FARM MACHINERY

Now is the time to check over your machinery. A large shipment of Drill repairs just arrived, and we are now in a position to give prompt service. We have several good second-hand Drills for sale.

HEARD ON THE STREET

"That Fred Thom has purchased a lot from Dr. Givins, next to the Giffen's surgery, and will erect an office."

"That the members of the Golf Club are hoping to erect a club house, completed for this season."

"That quite a number of people from this district purpose attending the Community Sale at Langdon on Saturday, March 27th."

"That the sale of the Anglican Ladies Guild on Saturday last was a very successful affair."

"That auctioneer Layzell is about the busiest bird in Alberta, having sales for March 15, 16, 17, 18, 19, 20, 22, 23, 24, 25 and 26."

"Dr. Moore (after careful examination): Some foreign substances have lodged in your eye."

"Casey: 'Oh, I knowed it, that's what it'll be warrakin' wid dem wops.'"

"Reports from Red Lake, the new gold field, are that flour is as high as \$14 a hundredweight, sugar from \$25 to \$30 per hundredweight, beans around \$20 a hundredweight, and bacon and butter \$12.25 and \$15.50 a pound. Martin Garrett says they should buy their groceries in Strathmore and save big money."

"Two monster sisters, tipping the scales at 4100 pounds, were recently receiving at the Calgary stockyards. They were shipped by W. J. McIntyre, of Valcan. They were seven years old, and because of their great weight were not in keen demand at Calgary which is a market that favors the light sort."

"That Don McKay brought his 'tail-town trousers' to the Bank for inspection. He thinks, and she thinks, that they are pretty 'naughty.'"

"That Mayor Bell and Council held a special session to consider appealing the Frank Miller case, but decided to pass up the appeal."

"That another big snow storm might bring a large list of defunctures before 'His Worship,' and the treasury be full and running over with good old fashioned stinkuns."

"That Pete de Kort was giving an exhibition to show what his horse 'Chestnut Pie' could do, after a few minutes of the first performance, all that could be seen of de Kort was his photograph in the mud."

"That O. G. Craig, of Cheadle, and Bob Gray agree that it should not be necessary to start work for the mayor before 7 a.m., and that ten hours a day of good conscientious work is enough for any man, particularly at this time of the year."

"The question of titles has again been introduced, but A. Layzell says it is not bothering him, as he has long been recognized as the 'King of Auctioneers' in the Strathmore district."

"Calgary has several lady oil brokers, and Fred Dunn is having an awful time inducing the young spendthrifts to place their orders in Strathmore. 'Thanks he may have to bring Miss Dunn down to the office to equalize matters.'"

"Spring has not yet arrived for if it had the golf boys would be out hitting them where they ain't."

"Considerable quantities of 150-year-old cossack, presented by Napoleon to the Russian grand dukes of the early nineteenth century, are being sold in Russia for twenty dollars a bottle. That's nothing, says Frank Miller, that's the only kind I handled in the good old days."

"Following literally the Communist slogan, 'Workers of the World, unite!', groups of the vagrant children of Russia have formed themselves into local 'trade unions' guilds. In the Shadrinsk district of the Ural, the street gamins have organized a 'pickpocket trust,' the specialty of which is evident. In Ekaterinburg groups of homeless boys who have specialized in petty larceny have joined into the young bandit union. Among the 'mignons' established by penniless children in Moscow is the 'Amalgamated Brotherhood of Young Pioneers and Vagabonds.'"

"Magistrates Lambert and Vickery had that bunch of handily-would-be looking for an increase in salary."

"Lady Fisher, of London, Eng., who has been taking the 'fruit juice' cure at Tring, Hertfordshire, broke her fast on Wednesday, 42 days since her last meal. She drank half a glass of liquid food, consisting of two parts."

Western Section and Strathmore District Crops

A Record of Progress During 1925 September 48.15 4.6.
Strathmore is the centre and operating headquarters for the Western Section Irrigation District, comprising an area of about 1,000,000 acres, of which about 218,000 are classed as irrigable.

During 1925 most of the hay crops were irrigated, but practically all the grain was grown without irrigation owing to a favorable rainfall. The precipitation from September 1st, 1925, to September 1st, 1925, which we regard as the crop year, amounted to 11.58 inches, of which 10.49 inches was in the form of rain during the last five months, from April 1st to September 1st, 1925.

The mean monthly temperature at Strathmore, and the average precipitation as obtained from eight observing stations in the district, shows the following monthly totals for 1925:

Month	Degrees F.	Inches
January	8.87	0.04
February	12.22	0.44
March	22.50	0.45
April	47.91	1.31
May	52.35	1.52
June	55.36	4.41
July	63.27	2.63
August	59.65	0.8

The results indicated by the above figures is a source of gratification and pride in this district. One result of better returns to the farmers in 1924 was shown in the stock in 1925, of buildings on these farms valued at \$124,925.00.

While the soil in this district is rich and the returns in a favorable season bring prosperity, it must not be forgotten that it is our duty to conserve this great natural resource, that it may continue to support a population of a high standard of living. It is suggested that eventually there must be a rotation of crops, better cultivation, and the feeding of livestock to permit of a permanently profitable system of agriculture. Such a system will introduce humus and nitrogen into the soil to keep up its fertility and prevent soil drifting and will control the weeds.

Under existing conditions, the practical way to do this seems to be by growing sweet clover in a two year rotation with grain, with usually some utilization of sweet clover, hay and pasture to feed sheep, cattle and hogs. This does not displace grain from first place, but furnishes a means of increasing yields and gradually adding livestock to the farm production.

There are about 500 resident farmers on the water right lands, and they produce about 12,500 sheep, 9,600 head of cattle, 2,200 hogs, and 53,000 poultry. It would be very desirable to greatly increase this livestock if it can be done at a profit and can be fed as suggested above is one important essential, leading in the desired direction. —R.R.S.

ROSEBUD

Any items of interest may be phoned to Mrs. G. H. Comstock, 1344, any time before Monday a.m. for publication that week. The correspondent regrets the following item was not received earlier.

Mrs. Archie Gow's piano pupils gave a splendid recital at the home of Mrs. Barlow two weeks ago. There were about forty guests present, including twenty-five pupils. Each pupil played a selection, and Mrs. Stella Grant kindly played a solo. Mrs. George Gow furnished ice cream, and the recital was voted a grand success. It is hoped Mrs. Gow's pupils will favor us with more such treats.

Mrs. Orrville Lyons and children were guests of her parents, Mr. and Mrs. E. N. Nicklessen, before going to Calgary.

Mr. Arthur Weston was a Calgary visitor last week.

L. W. Comstock has returned from a tour of the province in B.C. and Calgary.

The U.F.A. bridge party was well attended at R. W. Brunner's last Wednesday. Prizes were won by Mr. and Mrs. C. H. Comstock and Mr. and Mrs. F. Archer.

Mrs. J. C. Campbell and daughter, Mrs. Edith McDowell were Calgary visitors.

Mrs. R. M. Frazer has been called to her home in Iowa by the illness of her mother.

Mr. and Mrs. W. E. Hyman and sons, Walter and Howard, have returned from their vacation in California, where they spent the winter. They travelled all

Comments

The game of politics and its rules were well illustrated when Hon. P. Baker was answering a question by Geo. Mills, Liberal, regarding the number of children of school age who go to less than one hundred days of schooling in 1925. When Mr. Baker mentioned that the total was 26,415 the opposition listened in shocked silence, but when he mentioned for purpose of comparison, that in 1924 the number had been 60,644 there was no violent outcry that the Minister had no right to give this information, as it had not been asked for. The effect was that the answer had to be withdrawn as the other particular the Minister had also had the obnoxious figures included.

Gordon Foster, U.F.A. member for Hamilton, who was taken ill on the opening day of the session, is now back in the House.

The ways of questioners are very devious. Sometimes a return will be asked for that involves a huge amount of labor and paper, when all that is really wanted is information on one matter.

The Assembly is at its best when in committee. Then party lines are forgotten, and members speak down to frank discussion on bills voicing their own opinions. It seems a pity that the Assembly could not be in committee all the time. This "viewing with pleasure" and "pointing with pride" is all right for gallery and propaganda purposes, but in advancing the interests of the province it cannot be of much value.

There are several lawyers on the Liberal benches, and only one on the Government side. Consequently, when some matter like fire insurance is on in committee Liberal lawyers will come to the assistance of the Premier in explaining to the farmer members intricate legal points, while when noxious weeds or agriculture pests are under discussion the farmers can enlighten the lawyers.

Speaker McPherson has during the week been away to Winnipeg on Wheat Pool business. During his absence Deputy Speaker McKee is officiating. Civil service employees put on a splendid concert in the cafeteria on the upper floor of the parliament building Tuesday afternoon. Bearing out the theory that "music has charms to soothe the savage breast" the proceedings in the Assembly Chamber were exceptionally void of acrimony.

Geo. Howley's Dog Act is said to be a trifling one of the ancient rights enshrined by statute, that every dog is entitled to one bite. Under his bite a dog can be destroyed for attempting to bite anyone. And not a voice was raised in defense of the friend of man.

Hon. C. R. Mitchell, Opposition Leader, has seen the Spray Lakes power site, and believes the development would enhance rather than detract from the scenic beauty of this part of the Banff National Park. He doesn't think that members of the House are so competent to pass on it, therefore omitted all mention of scenery in his amendment to the Spray Lakes resolution.

At the meeting of the House, the amendment urged the development of the site for power purposes, a very inconsistent position, as the Premier said pointed out.

Oratory has been stated to be "the art of concealing thought." If this be so, then R. C. Marshall, Calgary Liberal member, is an orator of the first water, for he spoke for three-quarters of an hour on the Spray Lakes question on Wednesday.

Mr. Marshall was, of course, trying to keep in harmony with his Calgary constituents, who want the Spray Lakes developed either by the Province or under Provincial control, and with the Liberal party in Ottawa, who have refused to give the Province the license to the power site.

In such delicate circumstances, Mr. Marshall naturally avoided declaring himself on the subject, and spent his time abusing the Government.

The Government's legislative programme is being pushed with commendable celerity. Although a number of bills have passed through committee and received third reading, and nearly all proposed legislation is already laid before the Assembly.

MAKE 'EM SURE
—O—
"The wicked feed when no man punishes," quoted the deacon to the minister.

"Yes," said the minister, who was listening in aggressive Christianity, "that is true, but they make much better time when somebody is after them."

ROCKYFORD

A meeting of the Rockyford 11th School district No. 5, was held on Friday. The following officers were elected to serve on the Board: Chairman, W. R. Clevous; Sec.-Treas., Mr. W. D. Trustees, Messrs Dan Kehoe, H. Dunsmore, S. Roppel, J. Brugg and D. S. Howick.

A location for the school was decided upon at the North of the town, 3 acres of land being purchased from Mr. T. Weiss. Mr. D. S. Howick was elected head of the building committee, plans approved and tenders are to be called. It is hoped that the school will be open by the fall.

Mr. C. M. Wise is at present on a visit to Rockyford from Indiana. He is most enthusiastic about the prospects of Alberta as compared with those of the Western States.

The roads are drying up well and cars are running again, there is every indication of work on the land starting at an early date. Although the general opinion among farmers seems to be that it does not pay to start seeding too early, it is better to wait until the land warms up a bit so that the seed will germinate quicker after it is once in the ground.

Don't forget alfalfa when making your plans, in addition to improving your land it will bring you the greatest return per acre of any other crop especially under irrigation.

Also you will be well awarded for time spent in planting trees. They cost you very little, and will not only beautify, but will greatly increase the value of your home.

Standard

Mr. and Mrs. Emil Dan are back in Standard after a very pleasant winter holiday spent in Denmark.

Mr. and Mrs. Anton Nielsen were visitors to Calgary over the week end.

Mr. O. P. Larsen and Miss Elma Larsen were passengers to Calgary on Tuesday's train, returning on Friday.

Mr. L. A. Peterson returned from Calgary on Friday, after spending a week in Calgary receiving medical treatment for an infected ear.

Mr. and Mrs. Anton Sorenson returned to Standard on Friday from Vancouver and other Pacific coast points where they have spent the past three months.

Three cars of hog were received in Standard last week from Keith, Alb. The consignees were Geo. Webb, of the Banner Hotel, and Christensen Bros., of the Standard Meat Market.

Mr. H. C. Farthing was a business visitor to Chancellors between trains last week.

Mr. and Mrs. T. C. Dahl returned from Calgary last Friday.

We are glad to report that Mr. Axel Larsen and Mrs. Paul Hulen are progressing favorably after their recent operations in the General Hospital, Calgary.

Mr. John Johannson has taken over the Massey Harris agency in Standard.

Who's dabbling in oil ??? I wonder!

Mr. F. Kreen attended the Grand Lodge of the Knights of Pythias in Calgary last week.

Mr. and Mrs. Ray Schoelling and daughter returned home on Wednesday, after spending the winter months in Missouri.

CANADA WHEAT EXPORTS

INCREASE HUNDRED MILLIONS

Montreal, Quebec.—Total wheat exported from Canada to all countries during the six months ended January 31st last, was 178,154,418 bushels, valued at \$252,172,860. During the corresponding period a year ago, total exports of Canadian wheat were 95,672,083 bushels, valued at \$143,525,120. Shipments of wheat to the United Kingdom in the period under review totaled 138,067,287 bushels, valued at \$191,810,234, as compared with 75,567,809 bushels, worth \$113,115,620, in the same period of the preceding year.

SALE AND REDEMPTION OF

IMPOUNDED ANIMALS

—O—
Notice is hereby given under Section 48 of The Domestic Animals Act (Municipalities) that One Bay Gelding, aged, weight about 1150 lbs., no brand visible, was impounded in the pound kept by Hans Jensen, located on lots 29-40, Standard, on the 24th day of February, A.D. 1926, and that the said animal was sold on the 9th day of March, 1926, to F. Nielsen, of Standard.

That One Bay Gelding, aged, branded on left hip, was impounded in the pound kept by Hans Jensen, located on lots 29-40, Standard, on the 24th day of February, A.D. 1926, and that the said animal was sold on the 9th day of March, 1926, to M. M. Jensen, of Standard, and that said animals may be redeemed by the owners or on their behalf within a period of thirty days from the publication of this notice in The Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchase of said animals.

For information apply to the undersigned.

E. W. PUST,
Secretary-Treasurer
Rockyford, Alberta.

That One Bay Gelding, aged, weight about 1100 lbs., branded C C on left hip, was impounded in the pound kept by Hans Jensen, located on lots 29-40, Standard, on the 24th day of February, A.D. 1926, and that the said animal was sold on the 9th day of March, 1926, to M. M. Jensen, of Standard.

That One Bay Gelding, aged, weight about 1150 lbs., branded on right shoulder, was impounded in the pound kept by Hans Jensen, located on lots 29-40, Standard, on the 24th day of February, A.D. 1926, and that the said animal was sold on the 9th day of March, 1926, to P. Hansen, of Standard.

That One White Mare, aged, weight about 1200 lbs., branded on left shoulder, was impounded in the pound kept by Hans Jensen, located on lots 29-40, Standard, on the 24th day of February, A.D. 1926, and that the said animal was sold on the 9th day of March, 1926, to C. Lyngard, of Standard.

That Black Gelding, aged, weight about 1350 lbs., branded (e) on left

shoulder was impounded in the pound kept by Hans Jensen, located on lots 29-40, Standard, on the 24th day of February, A.D. 1926, and that the said animal was sold on the 9th day of March, 1926, to M. Rockyford, Alberta.

USELESS BRAINS

A certain motion picture actor is very fond of playing puns. One day while riding with an illiterate negro, he began gravely to speak Italian to his brutish driver.

"The negro looked wildly at him, but said nothing. Finally the white man, in pretended play, said:

"Wa's the matter? Why don't you answer?"

"Ah don't know what you'll takin' 'bout."

"What's wrong? Haven't you any brains?"

"Yessuh. Ah got some brains, all right, but dey ain't no use to me now."

ROCKYFORD UNITED CHURCH NOTES

FATHER AND SON BANQUET

This was quite a special event in the Church last Friday. Plates were laid for 50, but owing to bad roads 12 of the number expected were unable to attend, and they certainly enjoyed a good time. The Mothers provided a very fine Chicken and Pie Supper with extra delicacies thrown in. Very neat little speeches were given by Wallace Gibson, Lilly Walrod, Harvey Birt, and Eldon Ruppe, and these ladies had taken care and thought in the preparation of their addresses. The dads replied to the hints and suggestions thrown out by the boys. After this, group games were the order of the evening for a couple of hours. Boys vs. Boys was good sport, but Boys vs. Dads was greater fun, and the boys showed that they could put it all over Jack in at least two events. Altogether we spent a very profitable and enjoyable evening. Mr. Rogers pointed out that the great thing we want to guard our lads against is the danger of developing into "drifters". A manhood, stable and strong, and citizenship of which, Canada needs more than ever, is why our Boys' groups are working for.

"University slides on 'Elen Hui' will be shown at Tudor, March 25th, and at Crowfoot Friday, March 26th.

Don't forget the Ladies' Aid social, April 2nd.

Don't forget our Church year positively ends March 31st, and we trust that all who are desirous of Protestant services working in their midst will see that the year ends in a creditable manner.

NEW OIL WELLS

Ten new oil wells will be drilled in the famous Turner Valley field south of Calgary in 1926, according to Chas. Jones, senior division government mineral inspector. Five new wells will be drilled in the Moose Mountain area west of Calgary and at least four new wells in the Wainwright field east of Edmonton, according to Mr. Jones' forecast of the 1926 program in the oil fields.

A Word to the Wise

A Leeds relief office states that 90 per cent. of runaway husbands have blue eyes. Single ladies seeking eligible avians are warned to bolt from the blue.

The Lure of Silk

Every woman is delighted with the beautiful rich lustrous fabrics which are made into the tempting garments so much in demand today. LOCAL NOTINGS

The town of Carbon will raise \$5,000 by issuing 10 year debentures to cover last year's expenditure for new sidewalks, fire hall, and fire fighting apparatus.

Dr. Harries wishes to announce that arrangements have been made which enable him to open an office in Strathmore for veterinary practice. Dr. Harries is a graduate of the Ontario Veterinary College, Chicago; and of the University of Pennsylvania. His experience includes seven years in practice in Calgary, over four years with the Royal Army Veterinary Corps, and six and a half years as veterinarian to the C.P.R. Department of Natural Resources.

Harry Thorburn, of the Strathmore Hotel intends to shortly open a dining room in connection with the hotel.

Victor Greiner, who settled in the Carbon district in 1889, died a few days ago, aged 66. He leaves a wife, one son, Charles, and one daughter, Mrs. Centre.

Entries for the Big Horse Sale in Strathmore on Saturday, March 20, are being received by Fred J. Dunn, secretary, and the rail birds have clocked a customer Layzell as being in prime condition. Everyone is expecting him to be in his best form, hence a top notch sale. Don't miss it.

CHURCH BULLETIN

United Church, Strathmore

Sunday, March 21st, 1926
Next Sunday will be the Monthly Children's Sunday, and the minister hopes to give an illustrated sermon on "Adventures in the Life of Paul." This will be the last of a series of studies in "The Gospel According to Paul."

Services will be held at Nanaka at 11 a.m., Chedoke at 2:30 p.m., and Strathmore at 7:30 p.m.

At the Church School at Strathmore at 11 o'clock the Trail Rangers Group of the C.S.E.T. will conduct the opening exercises of Prayer and Prayer and Scripture Reading. There will be a special offering for the Church Maintenance and Extension Fund.

Members of the Strathmore congregation are requested to remember that there will be a meeting in the Church each evening of Pardon Week from Sunday to Thursday, March 28th to April 1st. Studies will be carried out on the theme, "Those Who Crucified Jesus."

ARTHUR H. ROWE, Minister

CHURCH NOTES

A St. Patrick's Social will be the feature at the Y.P.S. on Thursday evening next, March 18th, after the Devotional address by Herbert McDonald, and the Business Meeting.

In the absence of Mr. Lydall, Choir Leader, Mr. Cope is very kindly acting as leader, and he also conducted an enjoyable Song Service before the regular opening of worship last Sunday evening.

If there are any friends of the Church and Christian Work who would like to make some extra Lenten offerings it would be thankfully received by the Maintenance and Extension Fund during this month. All contributions to this fund must be in by the end of March to count on this year's allotment.

At a well attended and interesting meeting of the Ladies' Aid of the Church at the home of Mr. Stedden last Thursday, a vote of 25 dollars was made to be devoted to the Maintenance and Extension Fund.

St. Michael and All Angels Church

11:00 a.m.—Holy Communion, Strathmore.

12:15 noon—Sunday School and Bible Class.

7:30 p.m.—Evensong, (taken by Rev. N. Hunt, of Gleichen).

The members of the Junior W. A. desire to thank all those who contributed to the tea held last Friday on behalf of a new sun in the church. Quite a nice sum was realized.

A. D. CURRIE, Incumbent

On Sunday, March 14, Rev. Thomas Power, Supt. Missions for the Conference of Alberta, will preach, at Dalewood 11 a.m., Carlewood 3 p.m., and Blind Creek 7:30 p.m.

PERCY JOHNSON, Pastor

Alberta Legislature

Good Progress Made With Legislation

—Two Days Spent in Spray Lakes Debate—Public Accounts in Health Financial Condition.

(By John McKenzie)

During the past week the Alberta Legislature has made progress with a number of Bills on various subjects.

Spray Lakes Power

In addition the Spray Lakes situation was discussed for two days, resulting finally in the passage on Thursday evening of a resolution stating that the House was of the opinion that the Spray Lakes development would not affect the scenic beauty of Banff National Park; that the increasing demands for power in the Province made it necessary that increased power should be immediately available; and that the Government of Canada should assign to the Province of Alberta the said water power site so that the Province might itself develop the site as a public utility or effectually control and regulate the supply of power in the interests of the people.

The Opposition amendment was in practically the same terms, but omitted the declaration that the project would not interfere with the scenic beauty of the park.

Premier Brownlee characterized the time spent on debating this amendment as waste, as the resolution and amendment were so alike that it would take a Philadelpha lawyer to distinguish the difference between them.

The Province's action, said the Premier, in putting forward this resolution, was to ensure that the people of the Province effectually control this development.

He ascribed the delay in getting the project under way to the Dominion Government, which had refused to issue the Franchise license, and only on Wednesday had he had received a wire from Ottawa stating that the Dominion would issue any applications for the development of power in the parks area should be in the hands of parliament itself.

What Province Would Do

The Government was prepared, on receipt of a license to allow the Calgary Power Company to go ahead with the building of a dam at Spray Lakes, and if afterwards the Province decided to operate the scheme as public utility to buy the dam from the company. If, on the other hand, they decided to allow the company to continue, they would be in a position to regulate the development in the interests of the people of the Province. They could not afford to have a private company, deriving its authority from the Dominion, hold such an important site. In that case the Province would have no control.

Hon. C. R. Mitchell and other Opposition speakers spoke. Mr. Mitchell claimed that the Province was responsible for the delay. They should state their intention as to whether they were in favor of public ownership or not.

Measrs Henry and Bowen, of Edmonton, were not in favor of the Province developing the site as a public utility. Steam power was cheaper in Edmonton than Spray Lakes power would be, and there were important waterworks in the north that should receive consideration if any move for development as a public utility was to be made.

Claims C.P.R. Influence

Alex Moore, Cochrane, said the C.P.R. was behind the Calgary Power Company, as they wished the power to electrify their line through the mountains. Whoever controlled Spray

Lakes would control all the power sites on the Bow River. The resolution was passed by a vote of 35-9. Mrs. McHugh and the Independent and Labor members voting with the Government.

The Financial Situation

The public accounts for 1925 were laid on the table Thursday by Hon. R. G. Reid.

He showed the financial situation of the Province to be considerably improved as compared with last year, with a surplus of \$188,019.

The total assets of the Province were \$162,475,540 and the liabilities, \$83,400,190.

The revenue for 1925 was \$11,521,020 and the expenditures \$11,543,008.

The net bonded debt at the end of December was \$79,463,823.

Municipal Legislation

A new Municipal District Act has been before the House this week, and considerable discussion has taken place as to its provisions.

The problem of indentants is a difficult one with some municipalities, and a wish was expressed that the province assume the care of municipalities. Hon. R. G. Reid, in reply said that the problem would be how to raise the money. He believed the indentants could be more efficiently, economically and sympathetically handled by local bodies.

The limit of responsibility by municipalities for sick indentants in hospitals was established at \$200 per year per patient.

Labor members favored the doing away with the property qualification in municipal elections. They claimed that it was absurd that an individual could be Premier of the Province without a property qualification, and yet couldn't be a municipal councillor.

Hall Insurance Act

The amendments to the Municipal Hall Insurance Act, dividing the Province into zones with varying rates, and establishing a surplus, was adopted with very little discussion.

Northern Railways

During the week a deputation of Grand Prairie residents met the Cabinet, urging upon them that the Province settle the Royal Bank's claim on the E.D. & B.C. railway without delay, and terminate the present agreement with the C.P.R.

The Premier in reply stated that the Province would not make a settlement on this matter until they were sure they had made the best deal possible. They had already saved the Province \$200,000 by delaying. They were trustees for the whole of the people of the Province, and had to consult their interests as well as those

BAINTREE

The Baintree Community Club met at the home of Mrs. E. J. Lyons, on Thursday, March 11th, eleven members being present. Mrs. Harry Porteous was appointed to look after the cups and refreshment committee. After the business, the program arranged by Mrs. Ross, was given. Each of the members gave a song, reading, or recitation. An enjoyable afternoon was spent by all.

The next meeting will be held with Mrs. H. Porteous on March 25th.

A shadow social will be given by the club at the home of Mrs. E. Ross on Saturday, March 20th.

An apoon sale will be held in the Baintree School House on Saturday, April 3rd, commencing at 6 p.m. Refreshments will be served. The evening will conclude with dancing.

A birthday party was given by Mrs. P. Colbert, on March 15th, by Mrs. Colbert and daughter, Nora. Mrs. Bullis kindly lending her home for the occasion. The evening was spent in singing, games, and dancing.

The Baintree Community Club met at the home of Mrs. W. A. Lyons on February 25th. Mrs. E. Ross was elected President in place of Mrs. W. McMillan, who was unable to take the office. Mrs. P. Colbert was elected vice-president.

A whist drive and dance took place at Mrs. H. Godfrey's on March 2nd, and about fifty people were present. The evening commenced with dancing to enable those who were delayed by the bad condition of the roads to take part in the whist drive. After supper was served, the whist drive commenced. The lady's first prize was won by Mrs. E. J. Lyons; gent's prize by Master Ed Godfrey; lady's booby prize by Mrs. P. Colbert; gent's booby prize by Master Ray Godfrey. The proceeds were in aid of the Baintree Hall.

(Continued on Globe)

SUGGESTS MANY CHANGES

Some worthy Conservative who really wants to see his party get somewhere ought grudgingly but firmly suggest a change for the whole of the leadership, or something, to his political friends at Ottawa.

MIGHT DISTURB CALGARIANS

—O—

(Edmonton Bulletin)

What do you think of the proposal of P. M. Christopher, Labor member for Rocky Mountain, to disarm the police forces of the province when they are on ordinary duty.

"If you must arm them give them a corker," snorts Chris. "They won't be able to do so much damage."

It was pointed out that this has other advantages. Any time you wanted to open a bottle you'd only have to bring a police whistle into action to get assistance.

"Then, but how could we get to sleep in Calgary with police whistles blowing all night?" queried Bob Marshall.

NOVA SCOTIA SUGAR

—O—

BEETS VERY PRODUCTIVE

HALIFAX, N. S.—An experiment to determine the yield and sugar content of sugar beets under ordinary farm conditions in Nova Scotia, was conducted in Pictou county last summer on about fifty farms. The average yield per acre was from 10 to 14 tons, while analysis showed sugar content of from 18 to 20 per cent. This work was undertaken at the instigation of the Provincial Department of Agriculture to determine the feasibility of establishing a beet sugar industry in the province.

THE PROVINCE

SUSTAINS REAL LOSS

In the passing of Mr. Justice Stuart, Alberta lost a citizen of the highest type, and Canada one of its best Canadians. His whole life had been spent in endeavoring to help build a type of citizenship from which a greater Canada would emerge. In the church, in matters of education, he was ever ready to do more than his share. The people always looked forward with confidence for his decisions, and seldom were his judgments overruled by the higher court.

CHURCH HAS

A PIPE DREAM

Tommie Church, Toronto's famous son, has been busy for three months hatching statistics regarding the amounts contributed by the respective Provinces to the Federal Treasury, with the result that he claims that Prince Edward Island only pays 24¢ per capita, Nova Scotia \$1.21, New Brunswick \$1.76, Quebec \$2.24, Ontario \$2.21, Manitoba \$2.15, Saskatchewan \$2.74, British Columbia \$4.55, and Alberta \$5.67, and gives emphasis to the theory that Ontario pays 45¢ of the Dominion taxes.

He forgets to mention that if it were not for the Western farmers, the Ontario manufacturers' profits would be so small that you could put them in the eye of a mosquito. He means that Ontario acts as agent for the Western provinces.

EDITORIAL NOTES

The horse market is getting better each week, and the boys who had faith in "old Dobbin" will reap a reward for the next few years.

Sam Brown, of High River says he cannot see any relation between Liberalism and Prohibition. Wonder what he means.

R. C. Marshall twisted Fred White upon saying he was in the cabinet of Government ownership when the Spray Lakes project was before the Legislature.

Punny laws are in existence: If you own some sheep and a dog attacks them, you can have it destroyed, but if it molests your child, you can only have Constable Tate reimprimed it.

The Ontario Legislature is trying to eliminate the necessity of a newly elected minister, being forced to seek reelection. The Province of Alberta might very well do the same.

540 acres were granted in Canada in 1924 in comparison with only 16 in 1916, a remarkable increase as R. J. Deachman could prove in dealing with the development that has taken place in Canada under Mackenzie King.

That payment by the Wheat Pool of twenty cents per bushel is exceedingly welcome, especially so with the promise of more to follow. It will be very handy to meet extra expenses at seed time.

Some people are needlessly worried these days about the Progressives dominating things at Ottawa; they are all human and surely as sane in judgment as Fred Davis, Bob Rogers or R. B. Bennett. They are all vitally interested in Canada's welfare.

On agn, off agn, on agn, will apply to Hon. G. R. Mitchell, if he accepts a bench appointment, which has been rumored in Edmonton, with a certain degree of certainty. He was formerly a judge before joining the Rutherford Government, upon the retirement of Hon. W. T. Finlay.

PROVINCIAL PUBLICITY

The Provincial Government had ample funds to advertise in the Daily Press, the Telephone Semi-Centennial, but could not spare a nickel for publicity in the Rural Press. Farmers might not digest the information, if you can call it information, about the "Silent Partner", and all that they need to do is vote right and not ask silly questions.

While newspapers are amply remunerated, and getting all that is good for them, when they have had the privilege of paying for composition news, ing, and paper necessary to carry to their subscribers the complimentary dope, that the free propaganda mill operated by the Provincial Government, prints so lavishly.

T. Eaton Company have branched out into the Life Insurance business. Any day we may hear that they are taking in washing.

Since John Mackenzie became a permanent resident of Edmonton, the Provincial Government has under consideration the establishment of a home for delinquent boys. John is surely making them sit up and take notice.

Nellie McClung says, "Alberta's thirst is increasing; the university students who debated at Calgary, said they came to Canada with a great thirst—for education. Do they mean the same thirst in each case."

Messrs Murray & Frenn, Government agents, claim that the Russian thistle has the same feed value as natural grasses. If this is true some good weed inspectors will be out of a job.

Strathmore is sure a lucky town. They pay only \$1,000 a year for legal advice and town clerk duties combined, while Quebec judges ask for an increase in their salaries of \$1,000 per annum. Let us all move down to Quebec and get jobs as judges.

Prince George has been promoted to the rank of Lieutenant in the navy and is stationed on the flagship Hawkins, doing his little trick the same as the rest of the sailor boys. If he is half as good a sailor as his father, he will soon get promotion.

If the Government makes the system of grading grain to that of gluten content percentage, some of the boys with fine samples in color and plumpness but low protein value will make an awful howl when Bob Gray announces that the best he can give them for wheat looks like No. 1 would be No. 4 grade.

The Brownlee Government is still tight ship on the Spray Lakes proposition, and one of these fine mornings we will wake up and find some live corporation in control of the situation.

What do we care as long as Bob Brown gets busy and rushes in the "jute" before Santa Claus arrives for next Xmas.

Turner is current in Edmonton, Hon. Herbert Greenfield, former premier, may become Agent-General for Alberta in London, England. The office was created in 1915, but abandoned in 1919. Joseph Dechene, the fighting Liberal from Beaver River, failed to get any information in regard to the appointment from the Hon. Geo. Hooley.

Leader McGillivray, at Clarendon, speaking to H. W. Wood, of the United Farmers, as "the dictator", "the man behind the throne", the sincere but fanatical political propagandist. In spite of it all, the farmers persist in keeping him at the head of the organization—they are not a lot of slugs, when you remember that Mr. McGillivray is willing to sacrifice approximately \$1,000 a year to save them from this misused man.

AN EXHIBIT OF FINE ALUMINUM WARE

Your interested attention is invited to an unusually complete assortment of VIKO, The Popular Aluminum, which we are now showing.

We know you will be delighted with the great variety of different articles. There are scores of them, for all sorts of uses.

You will be impressed, too, with the beauty and quality of these splendid utensils. There's nothing like the thick, hard aluminum of which VIKO utensils are made to insure lasting wear and satisfaction.

Perhaps you will be surprised at how moderately priced VIKO is. Honestly, we don't believe that any better value exists.

BRING ME THE REMAINS

The west Middlesex Conservatives intend to put up a real fight against the new Labor Minister, J. C. Elliott; this acclamation is coming too often for the good of the cause.

The first immigrant train of the season reached Winnipeg last week, bringing 227, and tomorrow another party of 829 is expected. This means the beginning of good business for Western Canada, as each member immediately becomes a producer and consumer of Canadian products.

The Quebec Superior Court Judges want a raise in pay. The price of golf balls has increased, hence the necessity for a \$1,000 per annum increase. The Food Elevators Ltd. have made an offer to take over the Saskatchewan Co-operative Elevators, 451 in number, with a down payment of \$2,000,000, and a million dollars annually the value of the elevators to be arrived at by three arbiters.

TAXATION AND ECONOMY

Galt, Reporter: It is time to call a halt. It is time for Canada to apply business principles to the question of

government finance. The thoughtless frittering away of millions of money through extravagance and inefficiency must stop if Canada is to get what she should get out of the opening era of prosperity. Capital is seeking investment, but capital is wary. Where the hope of an adequate return is greatly lessened by an unnecessary burden of taxation, development is sure to be hesitant and uncertain. Success is based on business-like administration, whether it be in the operation of a private company, a public enterprise, or a government.

It is beginning to be recognized that less taxation and greater economy in public expenditures is the crying need of Canada today. But the desire end will not be achieved by simply talking or writing about it. The situation presents a fine opportunity for such organizations as boards of trade and chambers of commerce to render a real service by taking a hand in the movement to lead the country of the burden of over-taxation and thus inaugurate a period of greater prosperity for all sections of the Dominion.

Even Better
"I'm going to call my baby
was discussed," said the author, "after
Charles Lamb, you know. He is such a
dear little lamb."
"Oh, I'd call him William Dean,"
said the friend. "He Howells was
much."

Slats' Diary

Friday—Today was Slick Emmensen's
birth day and he was up here at the
house, a showing of a
new pair of shoes and a
Cap. Ant Emmy
was sitting him how old
he was and he said he
was thirteen yrs. old
and Ant Emmy said Why
I would of told you to
be a day over 12 and
he replied and said Well
you see I have all ways
told every good care of
myself all my life and
I hope that the reason
I don't show all my age,
Saturday—When ph
herd that Blatteren
gramps had died he said if he had left
much when he died and Blatters said
from what he cut here his gramps
had left about every thing he had.

Sunday—Mr. Whitney, are teacher,
was telling us all about the planets
that the scientists has been discovering
and he new the names of all of them
with only a school teacher cut
remembered. I said, did he say he cut
kinda under stand how they cut
find them with magnifying glasses but
he couldn't see they they said cut
what there names was so no.

Munday—Jane and me was walking
up threw the hall at school today and I
saw my arm round her and she
sweezed my hand and it give me a
frill all over. Just like when Dr.
Simmons grabs a hold of your tooth
to pull it out. Only this more pleasant.
Tuesday—Ma drove the ford up to
Calgary today and when she came home
she was mad as a wet hen. She said
she just happened to drive a neat car
the corner when the red light was on
and Dan Finlayson the cop tawled to her
like as if he had new her and said
and she did didn't even his name was
Dan.

Wednesday—Cuzen Annette has
threw down her follow she was
supposed to get married to. She said
what ever made him fall into love
with her and he said it was becus she
looked like a cook. And she said
Thursday—Went to a recital where
they was playing music tonite. One
of the peaces they give on the piano
last of ben awry hand becus they was
to of them a working at it and even
then it didn't sound so terrible good.
My Lyndist said it was Xquisite Grand
oppy.

BAINTREE

BABY CLINIC AT BAINTREE
A Baby Clinic will be organized
under the auspices of the Baintree
T.F.W.A. on Wednesday afternoon,
March 24, at the home of Mrs. W. A.
Lyons, one mile South of Baintree.
Miss Emerson, of the Public Health
Nursing Branch, Edmonton, will be in
charge. The Clinic will be for all
children under six years of age, and
expectant mothers within travelling
distance.
There are no fees for this service,
and anyone is welcome.

On Friday, March 12, court
was played, under the auspices of the
T.F.W.A., at the home of Mr. H. G.
Frederick. About 50 were present, and play-
ing continued until 12 o'clock, when
the prizes were awarded. First to
win was Mr. E. G. Godfrey, and
consolations to Mr. E. G. Godfrey, and
Mr. H. Warren. Refreshments were
served, and a splendid evening's en-
tertainment brought to a close.

The Baintree T.F.W.A. met at the
home of Mrs. Emily Lambourne on
Wednesday afternoon, March 3rd. In
the absence of the president, Miss
Mable Godfrey occupied the chair.
After the usual order of business, the
monthly bulletin by Miss MacInnes was
read. The matter of the Baby Clinic
was discussed, after a letter from
Miss Clarke, Supt. Public Health
Nursing Branch, was read. It was de-
cided to hold the Baby Clinic at the
home of Mrs. W. A. Lyons, on Wed-
nesday, March 17th.

will hold a rainy sale and tea on
March 20, at 3 p.m., at the King Ed-
ward Sample room.

"THE THREE MUSKETEERS
OF THE WEST"

The modern prototypes of the famous
three musketeers glorified in fic-
tion by Alexandre Dumas appear in
Irvin Willa's spectacular western pro-
duction, "The Enchanted Hill," a
screen version of the widely read novel
by Peter B. Krue. Jack Holt, Richard
Arlen and Ray Thompson compose the
trio of twentieth century musketeers,
who, with arduous and machine gun
prop themselves just as gallant and
reckless and brave as their distin-
guished predecessors.

"The Enchanted Hill" will be shown
at the Memorial Hall on Saturday,
March 20.
Miss Lambourne was elected dele-
gate to the Strathmore District Con-
vention, and Mrs. P. J. Lyons director.
Several other matters were discussed
after which the meeting adjourned, and
the hostess served bounteous refresh-
ments.

AGENT FOR TRUSTEES

Among the many important services rendered by this Corporation is
that of agent for Trustees under wills. In this capacity we keep trust
funds fully and safely invested, collect and pay over to the
Executor, make all tax returns, take care of securities, and gen-
erally protect the interests of the Estate at every point.
Many individual trustees, especially widows and business ex-
ecutives, find this service a most valuable one, relieving them of the
worry and detail incidental to trusteeship.

Confer with us.
